

## **Business Accountant**

Are you tired of not being rewarded for your work? Do you want to work in a fun, professional atmosphere where your technical and client skills are encouraged and appreciated?

We hire full and part-time onsite CAS/Business accountants. This person would be responsible for bookkeeping tasks such as quarterly payroll taxes, sales and excise taxes, bank reconciliations, personal property taxes and other basic accounting functions in QuickBooks.

Proficiency in QuickBooks Desktop, QuickBooks Online and Excel is necessary for this position which would offer full-time hours, competitive wages, and benefits including medical, dental, vision, 401(k) and paid parking downtown.

A minimum of one year of experience including payroll responsibilities and use of QuickBooks is required.
